Tots, Mini and Espoir Championships

Car parking

Saturday and Sunday
The leisure centre have kindly arranged for FARS skaters/parents/coaches to be able use a local gravel car park at the college – 1 minute walk away from the sports centre.
This facility is free to use on both days.

There is a code in place to enter this car park – this will be given to FARS on the Thursday prior to the weekend and we will post this on the FARS Facebook page as soon as it is received.

There is other local car parking which is indicated on the attached map but these charge on a Saturday but you are able to take your ticket to the sports centre reception and you will receive a £2 rebate on your fee.
All parking is free on a Sunday.

Friday Evening
The college car park is not available on Friday night for the training but all car parks in Andover are free after 4pm apart from Lidl.

Entry to the event

As there is limited room available for queueing at the centre all skaters/parents/coaches must not impede other centre customers when you arrive at the event.

Can you please ensure that you queue in the café area and ensure that all doors and walkways are clear for other customers.
