Each category will be given a limited practice session before running their programmes one at a time.

You will be given an allocated time slot for your group. We ask that you do not enter the hall until the group prior to you has completed their session. Once your group has finished please can we ask that you vacate the hall swiftly to reduce any delays to the next group.

Skaters should dress and perform as if they were competing by wearing previous competition outfits, 2020 dresses do not have to be worn however they can be worn should the skater/ coach choose to do so.

There will be limited seating for spectators, there will be no cost for spectators and as such there is no guaranteed seating for all those in attendance.
