

## Roller Cup 2023

version2 updated 28.04.2023.

We have had another excellent entry for the Roller Cup, many thanks to the clubs who have supported the event for 2023.

I am pleased that all events apart from the Junior event will run this year, even though we had a smaller entry for the Senior event the Dance team have agreed to still run the event but only over two qualifiers and a final.

The entry and event splits are below, these splits will remain for all 3 events.
