

The Federation of Artistic Roller Skating

COVID-19 Back to Skating

To All FARS Affiliated Clubs,

FARS was made aware yesterday (29/07/2020) that Sport England had issued a notice to advise that indoor training was allowed to commence from the 1st August 2020.

The 1st August back to skating date is allowed only once federations have all their protocols in place.

FARS will approve your club to start back once we have the following:

1. Completed Risk Assessment (*already requested*)
2. Official COVID Contact

Once we have each clubs COVID contact we will arrange Zoom calls to explain what we need from each clubs COVID contact to adhere to the Track and Trace protocols.

Please can each club email hod@fars.co.uk with their risk assessment (if you haven't done so already) and your COVID club contact. Please give us the Name and Email address for your COVID contact person.

Kind Regards

FARS Executive Board
