

Objectives 2021

Education

Taking over the existing Officials Education programme and picking up from where it left off before the pandemic. This responsibility will include:

- Creation of a Data Operator course and exam for use on the VLE
- Creation of a Referee course and exam for use on the VLE
- Creation of an overall "Officials Pathway" for athletes or even third parties who wish to become a FARS official

Officials Management

Having the courses and exams written and available to candidates is the first step. Administering and managing the candidates taking them is the next step. This responsibility will include:

- Continuation of practical training sessions (in person or via Zoom) giving Technical Panel, Judge, Data Operator and Referee candidates access to the RollArt Software with and hands-on practice and feedback
- Organising and supporting course participants and managing post exam certificates
- Managing qualifications and badges for all Officials, existing and newly qualified
- Organising shadowing opportunities for newly qualified Officials
- Managing annual follow up training courses for qualified Officials to ensure knowledge remains up to date with RollArt changes

Recruitment

Regular recruitment of new people into the pool of Officials is vital to retain members in our sport and to inject fresh talent in our team of qualified Officials. Regular recruitment will need to cover Technical Panel, Judging Panel, Data Operators and Referee roles and will include:

- Establish procedures for identifying potential athletes who wish to become Officials at or before point of retirement
- Carry out above procedure on an ongoing basis to identify new Official
- Guide new Officials along the Officials Pathway from education through to qualification

Management Reporting

The FARS Board will need regular updates in order to be kept informed of :

- Candidates identified for Officials Pathway
- Candidate progress throughout the education process
- Newly qualified Officials including exam scores and the roles they are qualified in

Judge Support & Organisation

- Panel Compilation: RollArt panels will need to be carefully selected based on qualifications and ability
- Event Support: Officials will require face to face support at events. This will include help and guidance after each event if they have questions and also an end of comp review of their performance and score sheets
