## FIGURES AND FREE EVENTS APRIL 2019

Following some constructive feedback from members, the Figures and Free team have reviewed the current entry requirements for the upcoming April competitions.

We have had discussion around the A and B category events and agree that:

In order to ensure the competitions are fair for all competitors the following amendments and rules are being enforced for the April competition:

If a skater is competing in April and wishes to enter the British championships,

- They must enter the A category event for the discipline they wish to compete in.
- If a skater enters the B category event for a discipline and attempts to enter championships for that same discipline their entry will be refused.
- The entry test standard on the A category events in April have therefore been removed, allowing the skaters additional time to ensure they reach the test standards to enable them for championships.

This change to the rules for the April competition is to ensure both category events A and B are fair for all competitors and encourages a level playing field.

We look forward to seeing you all at the April event.

**A Date for your diary: Sunday 16<sup>th</sup> June will be a training/assessment day for international selections. Attendance at this event will be mandatory and will be at the Bushfield Centre Peterborough, timings and plans for the day will issued nearer the time.**
