

## Award of Coggins Trophy

The Coggins Trophy is a historic trophy presented to a skater who has achieved success at an International event.

This year we are pleased to award the Coggins trophy to Harlee Wicks.

Cup of Europe this year in Roana, Italy saw Harlee win the Espoir Figure Championship.

This was a real boost for the GB team which was made up of a mixture of experienced and newly selected skaters on their first International and what a great reward to hear the national anthem being played.

A mention to all our skaters from both Free skating and Dance this year who have fully embraced Rollart in a positive manner and this can only be a good sign for the future.

Kind Regards

Jim Drain  
Head of Figures and Free
