Notice of Resignation.

March 2018

To all members and affiliated clubs, I write to advise that it is with great regret that Vic Pratt has resigned from the role as Chairman of the Trustees of FARS with immediate effect. Vic has offered to remain as the company secretary until such time as the AGM or a suitable replacement is found to which we are very thankful.

Vic will still be very much involved in skating as an International Calculator, Judge and Coach but has found that it is now time to step down from the Federation.

I am sure that I speak on behalf of all the members of FARS in thanking Vic for his dedication over the many years including the last 10 years as a trustee and Chairman of the Trustees and would also like to thank Val for allowing Vic the time to carry out his work for FARS over the years.

The remaining Trustees have the option to elect a stand in replacement until such time as an AGM or EGM are arranged where a trustee can be elected in by the members. I am glad to say that Jim Drain has agreed to step into this position and I would like to take this opportunity to thank him for this.

Sincerely

Steve Prudence Trustee of FARS
