FARS – Central Database

FARS is deploying a new central database for our membership data, the easiest way to maintain the correct personal information for our members is to give club administrators access to ensure records for their club members are up to date.

Please can all clubs send me the below information so we can give the relevant access, responses should be sent to hod@fars.co.uk by **Saturday 11th July 2020**.

Only FARS members can act as a club administrator

Club Administrator 1

FARS Number:
Club:

Club Administrator 2

It is not mandatory to assign two club administrators.

Training on how to access and use the database will be given over Zoom sessions.

If you have any questions, please let me know.

Kind Regards
