From: Head of Dance – Nick Loader | Email: hod@fars.co.uk | Date: 15/02/2020

Dear Clubs,

Over the past few months I have been working to increase the size of the FARS Dance team, there is an enormous amount of work that goes into running Dance for FARS and I was very aware that I needed a wider structure within the team.

I am pleased to announce below the appointments to my team:

Nina Asquith

Nina will continue her role as **Skating Development Officer** and continue the excellent work she does around organising training events for our skaters. I am pleased that Nina has also agreed to take on an additional role within the team and will be **Deputy Head of Dance**, I'm pleased that Nina has agreed to accept this secondary role and help me lead Dance.

Kym Caira

Kym will be taking on the role of **Dance Coaching Development Officer**, Kym has a vast coaching knowledge and in the last year has invested in her own education by attending all Rollart seminars both in the UK and abroad. Kym recently attended the Rollart seminar in Lisbon as one of the FARS representatives at the IACS Level 1 seminars.

Jill Prior

Jill will be taking the role as **Dance Technical Officer**, being a 'A' class international judge for many years Jill brings a wealth of experience to the role. Jill has just passed her World Skate International Technical Specialist exam for Free Skating. Jill will be working to pass her Dance exam next.

Julie Whittingham

Julie will join as **FARS International Logistics Officer**, Julie will be supporting both the Dance and Figure and Free team arranging logistics for international trips, Julie has a wealth of experience in this area where FARS needs expertise.

Victoria Jefferson

Victoria will join as **Dance Team Coordinator**; Victoria will be supporting Nina and myself in the organisation of competitions and training events. Victoria has great administration and organisation qualities that are key to running events.

I would like to thank Nina, Kym, Jill, Julie and Victoria for agreeing to join the team and wish them very best of luck in the new roles.

World Skate Seminar Webinars

In the near future the Dance team will be holding webinars for all categories to take coaches through information received at the Lisbon World Skate seminar, this will be your chance to clarify any questions you have for the 2020 season.

I would like to thank my team for the all the work they have done and continue to do, we are going through the biggest changes we have ever seen in Dance skating and the team and I are here to support you. If you have any questions, please reach out to the team.
